Tis the Season... for College Tours

Teens from Orange Cove received a one-of-a-kind University Tour

Five teen members from the Orange Cove Boys & Girls Club had a guided tour of Fresno State on Saturday, October 23rd. The tour was provided by BGC Alum and former Youth of the Year winner, Nancy Reyes.

"I have been in contact with Nancy since she was a Club member and was very proud of her when she graduated from Fresno State," said Club Director Rebecca Martinez.

When Nancy isn't working on her teaching credential, she gives back to the Club that supported her by being a good influence to our Club members.

"She is a positive mentor to the teens at the Club. I could tell during the tour that everyone felt comfortable and connected to Nancy," said Rebecca.

The teens that participated in the tour are a part of a college readiness program called Diplomas2Degrees which guides Club members as they work toward high school graduation and prepares them for post-secondary education and career success. This program helps teens develop both short-and long-term goals and assists youth in securing financial aid and fosters supportive relationship with adults who can provide support throughout the college experience.

The next scheduled college visit will take place at UC Merced.

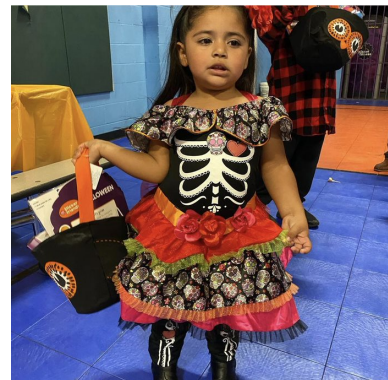

Orange Cove members experience a university classroom and receive academic information.

Nancy Reyes, Former Youth of the Year, leads a tour of Fresno State University.

Long Time Partners, Long Term Impact How Ross Continues to Support Youth

In honor of their Grand Opening at the Manchester Center location, Ross Stores donated \$2,500 to the Zimmerman Boys & Girls Club. This donation will fund Power Hour—a program dedicated to helping members with their homework. Ross has been a long time partner of our organization and has hosted annual store fundraisers collecting over \$56,000 for our Clubs.

Nationally, Ross Stores and Ross Cause Foundation has been responsible for donations of \$20 million. These contributions are passed to hundreds of Clubs through Boys & Girls Clubs of America. We are extremely grateful for the impact these gifts have made!

Kathryn Weakland, VP of Development accepts donation on behalf of Boys & Girls Clubs of Fresno County.
