Volunteer Information

Volunteers at the Boys & Girls Clubs of Fresno County are required to go through our screening process. This process will give you an idea of how the club functions and help us learn a little about you and your reasons for volunteering.

Boys & Girls Clubs of Fresno Country serves youth from ages 6 to 18. Since many of them look to our volunteers as role models, you must:

1. **Fill out this volunteer application and other required forms and provide identification. This must be completed at the Administration Office.**
2. Tour the facility with a Club staff person.
3. Meet with the Club Unit Director to determine your schedule availability and commitment to the Club. Be prepared to discuss your areas of interest so that you are assigned to an activity or group where you are comfortable interacting.
4. Understand and follow the sign-in/sign-out procedures and mandated reporting process.
